

### JOE'S EXPECTATIONS FOR HIS STUDENTS

- First and foremost, all of Joe's students make a commitment to practicing at least <sup>no hyphen</sup> 15 minutes a day, <sup>no hyphen</sup> 6 days a week. When it comes to learning almost anything, <sup>no hyphen</sup> 15 minutes a day is far better than two hours once a week. *Consider changing to spelled-out words for consistency*
- Students arrive five minutes before their lesson time, and pack up promptly once their lesson is finished.
- All students will be asked to purchase a manuscript notebook. Trumpet and Ear Training/Music Theory students may also be asked to purchase reasonably priced supplemental materials.
- Students must bring all of their necessary items to each lesson (e.g. instrument, music, manuscript notebook, and pencil).

### TIME AND PLACE

All lessons are given at Tabor Heights United Methodist Church located at:
